

Now, if you dial 911, we will know how to respond

Better service for you and your loved ones

Smart 911 is a free national service provided to you by your local 911 agency. Create a profile for your household that includes the vital personal and medical information you would want response teams to have in the event of an emergency. You may also identify your preferred language. Then if you dial 911 your profile is immediately available allowing call takers and first responders to assist you faster and more effectively.

Smart911 is a free service brought to you by the
Office of Unified Communications

It is 100% Private and Secure.

Give emergency responders the information they need to help you
