

- Notes:
1. For dimensions, see sheet 1.213a
  2. The interior layout shown of the building is schematic. Changes to the layouts, not affecting the exterior envelope or the square footage distribution, may occur.
  3. The number of retail entrances may be increased or decreased and the locations may shift depending upon the actual layout of retail tenants and the operating requirements of those tenants.
  4. Phase 2 to contain up to 13,952 SF and to be up to 40' in height.
